

## EcoTeach 2011 Student Trips: Travel Insurance Overview

EcoTeach purchases travel insurance through Travel Insured. As EcoTeach is not providing the coverage, it makes no warranty as to the terms of the coverage. Participants must review the policy terms and conditions and determine if the insurance meets their needs, as EcoTeach can not and does not make any representations that the policy it purchases meets a Participant's needs. Participants should always consider obtaining their own coverage for any trip to make sure their concerns and needs are met.

This description is based on coverage as provided by Travel Insured on September 2010.
